

## Ruin Me

Intro:

CM7 Em D C Bm7 Em C D

Verse 1:

CM7 Bm7  
Standing ashore with my heart in my hands  
Em C  
Safe enough to secure all my fears in the sand  
CM7 Bm7  
When you call I'll be hiding this sin that I bear  
Em C  
Wearing shame like a cloak dressing up in despair

Chorus:

G F C  
Ruin me... take me far out of reach  
G F C  
Ruin me... become all that I need  
G F C  
Ruin me... let me live just to die  
G F C  
Ruin me... mark me up crucified  
Em  
Let me die...

Verse 2:

CM7 Bm7  
Threadbare and spent I have nothing to give  
Em C  
In these ashes I'll mourn if your face remains hid  
CM7 Bm7  
And all these idols I've placed in my view  
Em C  
Leave me empty and bored, leave me hungry for you  
D  
I am hungry for you

Chorus

Bridge:

Em7 D C  
Satisfied just to dwell at your altar oh God  
Em7 D C  
Redefined by the measure I've found in your Son  
Bm7 Em

How I long for your words to be all that I know

B7 C

And if you'd hide your face from me where would I go

D

Tell me where would I go
